# Introduction

To assist in your efforts to sell products or services to the Washington State Department of Transportation (WSDOT), the following brief description of how purchasing is conducted in this agency is provided.

WSDOT buys goods and services via purchasing contracts established by the Office of State Procurement (OSP), Department of General Administration. These contracts are re-bid or renewed on an annual or biennial basis. If you are interested in bidding statewide contracts, please contact:

## Office of State Procurement

Department of General Administration  
General Administration Building, Room 216  
PO Box 41017  
Olympia, WA 98504-1017  
(360) 902-7400  
<http://www.ga.wa.gov/>

**Note:** OSP manages a supplier registration program allowing you to formally register and showcase your company's products to state agencies. This program is called the Washington Electronic Business Solution (WEBS) and is available at <http://www.ga.wa.gov/webs>

WSDOT lets highway construction projects. Information about current construction projects can be obtained by contacting:

WSDOT's procurement functions for goods and services are decentralized. WSDOT has a Headquarters, six geographical regions, and the ferry system. Each of these locales has key individuals that purchase products and services.

We recommend that you contact the key individuals. Buyers are often looking for additional competitive sources for the items or services they are buying. Please consider using WEBS to bid or quote on purchase requirements.
